

The Gage County Board of Supervisors met on November 15, 2023, at 8:45 a.m. with Emily Haxby, Don Schuller, Erich Tiemann, Eddie Dorn, Dave Swavely and Gary Lytle present, Terry Jurgens absent.

Notice of said meeting was posted at the County Clerk's Office and published prior to the meeting in compliance with State Statutes.

Let the record show that all proceedings are electronically recorded.

Pledge of Allegiance recited.

Chairman Tiemann announced that a complete copy of the Open Meetings Act is posted at the back of the Board of Supervisors Room.

Consent Agenda included the following items: 1. General Agenda; 2. Minutes from previous meeting and committee meetings; 3. claims audit in the amount of \$547,952.56 which does not include claim #23110205 to R.L. Tiemann Construction in the amount of \$29,692.24, to be voted on separately; 4. approve correspondence received and place on file; 5. Approve receiving the 2023 Distress Warrant Listing; 6. Approve District Court Summary Fee Report & Register of Deeds Fee Report for the month of October, 2023; 7. Approve EMS 1-Year Extension Agreements and authorizing Chairman to sign.

Motion made by Lytle, seconded by Swavely to approve the consent agenda. Motion carried 6-0.

Motion made by Swavely, seconded by Dorn to approve claim #23110205 to R.L. Tiemann Construction in the amount of \$20,692.24, bringing the total amount of claims paid through November 15, 2023 to \$577,644.80. Motion carried 5-0-1 with Tiemann abstaining due to conflict of interest.

Mitch Baum, 10640 County Hwy D20, Alden, IA spoke under public comments. Baum thanked the board for having these meetings as you do. He would like to ask for a motion to reconsider their application from the previous meeting for the Gage Island Grove 25 CAFO site. They have met and exceeded the zoning regs in the county. There have been numerous opportunities for board members to visit the site in northern Gage County that is under construction, and the proposed site for this one, but a number of you have never been to this site or the other site during construction. He said he thinks this would be a real opportunity if you would kindly make a motion to reconsider and allow the additional conversation and information to be shared with them and with you to make an informed decision. Baum said he could answer any questions and really asks the board to consider this opportunity to make action on this site. Tiemann reminded him that during public comment, the board cannot comment or ask questions.

Tiemann stated that as a matter of process, if the board would want to make a motion to reconsider, it has to be by their rules, Rule #16, the specific item would be on this CAFO. There would need to be a motion to reconsider at the last meeting or this meeting, made by one of the three members on the winning side, which would be Lytle, Dorn and Haxby, and could be seconded by anyone. Then we would figure out exactly what route we would need to go from there. No motion was brought forward.

Committee reports were given by Swavely on Bldg. & Grounds, Haxby on Finance/Insurance, Lytle, Lisa Wiegand and Sheriff Gustafson on Law Enforcement/Emergency Management, and Haxby on Road & Bridge. Topics of discussion were: quote to replace heat pump on S ramp, winter lights considering lamp posts on N & W sides of courthouse, Hazard Mitigation Plan being created, possible new communications tower by Horvath & will be by Tri County School, considering new siren needed out by hospital, newly selected school resource officer Mike Hager, Faith In Blue Operation, BIP and Raise grants for bridges and roads with upcoming public outreach meetings with a public input survey to get data to include in grant applications (meeting dates and times are listed below), and Marshall Co. KS is going forward with bridge on State Line Rd. and has selected a contractor. During discussion on State Line Bridge, it was brought out that in prior talks with Marshall County about working together, they were informed that Gage County was willing to split the cost for the State Line Bridge project, but would not be able to do that if it did not go through the bid process as set forth in state statutes. Gage County also presented the option of going with culverts instead of a bridge which is feasible and less expensive but they resisted. Since that time, Marshall County said they want a bridge and not culverts, and they chose to select a contractor without taking bids, therefore, they are actually keeping Gage County from participating in the project. Deputy County Attorney Amanda Fanning said she will reach out to Marshall County for further action.

Locations, dates and times for Gage County Infrastructure Outreach meetings to receive public input on a survey to gather data from constituents regarding the roads and bridges under the BIP and Raise Grants. A survey will be taken to find out how many miles people save traveling these roads, whether they think the roads/bridges need repaired/replaced, how safe they think they are, etc. Participants do not need to be Gage County residents; they can be from surrounding counties but travel on these roads and cross these bridges. The data will be added as supporting documentation on the grant applications. Everyone is encouraged to attend and give their input on the survey. The meetings will be held as follows:

- Blue Springs City Hall, Nov. 15, 2023 at 6:30 p.m.
- Tri County School, Nov. 20, 2023 at 6:30 p.m.

If you have questions or would like more information, contact County Supervisor Emily Haxby.

Trevor Rue, Corrections Sergeant, and Sheriff Millard Gustafson presented the Annual Statistics Reports for the Jail, Sheriff's Dept., and screening station for 10/1/22 - 9/30/23. Rue spoke about the detention center statistics, transport vehicles' condition and mileage, and gave an update on the needs assessment being prepared by Prochaska. Lytle asked Rue to explain what CRS (Correctional Risk Services) does for the county. Rue said that they process all medical claims, file with Medicaid and other insurances to get coverages, and come back with one claim for the county to pay, which is a huge time-saver for county employees. They also have a catastrophic loss plan that kicks in if a claim gets over \$10,000, so the county never pays more than \$10,000 on a claim. We pay for the coverage but are still saving money in the long run. Shf. Gustafson gave the screening station report and statistics and sheriff's report and statistics.

Haxby temporarily out.

Motion made by Lytle, seconded by Swavely to approve receiving the Annual Statistics Reports and placing them on file. Motion carried 5-0.

Motion made by Dorn, seconded by Swavely to move into closed session at 9:48 a.m. for negotiations. Motion carried 5-0.

Haxby back in meeting during closed session.

Motion made by Swavely, seconded by Dorn to come out of closed session at 10:35 a.m. Motion carried 6-0.

Chairman declared Board of Supervisors meeting adjourned at 10:35 a.m. until November 29, 2023.

Board minutes can also be viewed on the Gage County website at <u>www.gagecountynebraska.us.</u>
